## WHAT'S UP

### JANU-VERY

It's been another amazing week and here are some highlights:

Camp Nageela has surpassed 150 signups for this summer. It's going to be the greatest summer yet!

Our Nageela Hebrew School kids have been making amazing progress learning how to read Hebrew. We are truly a Quality Learning Center.

The Valley is back! This past Wednesday, we had our first after school Jewnior NCSY event in the LA Valley in a pretty long time. It was an awesome meeting so many new kids at our 'Jewish Brain Freeze' event in Tarzana. The Valley has the highest number of signups for the upcoming Shabbaton. Go Valley!

Speaking of the Shabbaton, this Sunday is the DEADLINE to sign up for this 3 day, 2 night weekend retreat in Mesquite, NV. Featuring scavenger hunts, sports, amazing food, an all-out party bash and a surprise trip. Use the QR code on the flyer to sign up. We are nearly full, and we'll tease out some of the surprise details as the event gets closer.

This Sunday will be Lee Canyon SKi Trip. We are sold out for the ski trip, and look forward to sharing photos next week.

Next week will also be a surprise event at the Scottsdale JCC, on Feb 4th. Check our email for more info on all these events.

WHAT? You don't get the weekly email? That's silly. Email us and we'll add you.

You can sponsor a week of Nageela Shabbos in honor of a special occasion or in memory of a loved one.  
Help us reach more Jewish kids with interesting Torah content!

### LOLZ

Pharaoh thought he had the Jews trapped at the Yam Suf. Then it parted.

He did not see that coming.

# PICKLE JEWS

The trials and tribulations of the desert included giving your kids the same food every day for forty years.

- Manna falling from heaven as the people begin life in the desert
  - Hashem providing water in the wilderness
  - Amalek attacking from the outside, not head-on

# PARSHAL PARSHA

a brief summary of the weekly  
Torah parshon

## PARSHAS BESHALACH

### WE JUMP IN THE WATER AND THEN HAVE A DANCE PARTY

- As the Jews run away (doo doo doo doo doodoo), run away (doo doo doo doo doodoo), run away (doo doo doo doo doodoo), run away from Egypt, they don't go the shortest route to Israel, but instead circle around to the Yam Suf (Sea of Reeds).
- Moses personally brings Joseph's bones, to fulfill the oath Joseph's brothers had taken.
- God provides a pillar of cloud to guide them during daylight hours, and a pillar of fire to guide them at night, in case their headlights wouldn't work.
- Pharaoh feels really dumb for letting his slaves go, and he gathers his army to chase them.
- The Jewish people, seeing the Egyptian army, panic and cry out to Moses, who calms them down and guarantees a great salvation.
- Moses stretches his hand over the sea. The Jewish people enter, and it splits, the water forming walls on either side. The surface is completely dry land.
- When the Egyptians attempt to follow, the ground gets muddy and their horses need to plod slowly.
- Moses again extends his hand and the sea comes crashing down on the Egyptians for an epic wipe- out.
- The Jewish people are safe at last (doo doo doo doo doodoo), safe at last (doo doo doo doo doodoo), safe at last (doo doo doo doo doodoo), safe at last.
- Moses and the Jewish people sing a grand song of praise to God.
- Miriam leads the women, many of whom, in anticipation of miracles had brought along percussion instruments, in their own song.
- We get to a place where the water tastes bad. I was just at a place in Death Valley called Badwater, so we'll call it that. At Badwater, Moses throws a tree into the water and it gets sweet. A sugar tree? A candy cane? Who knows.
- The people are hungry and guess what they do? Yuppo, they complain. Really? "Are we there yet? Are we theeeeeere yeeeeeet?" God literally makes it rain bread. Also quail. Quail are funny looking birds. Did you hear the one about the quail the walked into a bar?
- Moses saves one container of this Manna to last forever. I wonder what preservatives they used.
- The people again complained that they were thirsty. Moses hits a rock (he was supposed to, this time) and enough water comes out to give the entire nation.
- The nation of Amalek becomes the first group to attack

the Jewish people after the miracles leaving Egypt. Those silly Amalekites. What were they thinking? Joshua leads the charge as we fight against these enemies. Moses

- God commands us to always remember what Amalek did (and would continue to repeat throughout our history, as our nemesis), and to erase any remnant of Amalek.

# Answer of the Week

QUESTION ON PAGE 3

It was Moses himself. Had he gone earlier, some Jews may have been afraid to follow, so he went last.
